

JESUS,  
WHAT A  
SAVIOR!

# Jesus, What a Savior!

## Overview for K/1st Grade Parents

This year, your child will be studying the curriculum *Jesus, What a Savior!* Our children (like us) are helpless sinners, deserving of God's eternal wrath. Children need to hear this truth so that they, like us, can turn to the perfect and only remedy—**the free gift of salvation through Jesus the Savior!** Each lesson in *Jesus, What a Savior!* is designed to present the material, including Bible stories, in a way that proclaims the centrality of the greatness and worth of God. This chronological study on redemption focuses on God's revelation of His Son, Jesus, as the one and only hope for desperate sinners—the good news of the Gospel!

This curriculum uses selected Bible stories presented chronologically to present these key redemptive themes:

- the incomparable greatness and worth of God, who is to be desired and treasured above all things;
- the desperate condition of sinners, who have fallen short of treasuring the glory of God and are helpless to save themselves;
- the all-sufficient work of Jesus on the cross to save sinners who put their trust in Him.

Finally, our prayer is that through the presentation of the Scriptures, the explanation of the gospel, and the work of the Holy Spirit, the children will recognize their own sin and helplessness, and turn and embrace Jesus Christ as their only hope, and be reconciled to God through His shed blood on the cross!

Clearly the responsibility, as well as the privilege, of nurturing the faith of children rests primarily on parents. Parents have the greatest opportunity for teachable moments – everyday situations in which the truth of God's Word can be applied. Faith nurturing should not be seen primarily as a classroom experience, but rather as a consistent weaving of spiritual truth into everyday life. Children will take home a worksheet each Sunday so that KidsLIFE can partner with you. We hope that you will be able to use these sheets as a resource for your child's spiritual development, asking them about what they learned, and helping them apply those truths to their own life.

KidsLIFE is so excited to have your child join us! If you should have any questions or concerns, please do not hesitate to contact me. I would love to chat with you! Also, we would love for you to join our "New Hope KidsLIFE" Facebook Group. It is a great resource for upcoming events and reminders, parent resources, and to help you stay connected with what our children are learning about Jesus.
